

Northumberland County Career & Technology Center

Welding Instructor

The NCCTC is looking for a permanent, full-time (185 days/year) Instructor for our Welding Technology program, beginning with the 2022-2023 school year.

Candidates must have four-plus years of recent full-time wage-earning work experience (beyond the training period) in the welding field. Successful candidate must complete PDE required course work and certification process, if not already certified.

Candidates should submit a resume and letter of interest (including salary requirement) to: Dr. James E. Catino, Administrative Director, Northumberland County CTC, 1700 W. Montgomery St., Coal Township, PA 17866. Deadline for applications is April 6, 2022.

The Northumberland County CTC is an Equal Opportunity Employer
